

LETTER OF AGENT REPRESENTATION

Date: 6 August 2019

To whom it may concern,

In an effort to attain complete customer service satisfaction with our customers in Israel, we are happy to introduce Laor Engineering, who, for almost three decades, has been our sole Agent for acquisitions of NLB Corp's entire line of products – Capital Equipment, Accessories, and Spare Parts – as well as Aftermarket Support.

Laor Engineering is the only company in Israel with technicians certified by NLB Corp in Wixom, MI to diagnose and repair your NLB High and Ultra High-Pressure Equipment. They are also able to conduct personnel training covering safety, preventative maintenance, and operations topics.

Should you have any further questions or concerns, please do not hesitate to contact us.

Sincerely,
