Please clarify the scope and costs included in the land use amount.	The amount to be paid annually to ESC are rental costs, which reflect the entitlement to make use of the land owned by ESC in the ownership and operation of the NH Facility. This amount will be the subject of the tender – Participants will bid their price proposal for the annual land use fees. All additional taxes, permits, fees, levies, related to the use of the land, will be paid by the Successful Bidder directly to the relevant third party or relevant authority. Additional information in relation to taxes, permits, etc. will be published in the Second Tender Stage.
